

AssalaamuAlaikum

We hope this newsletter finds you in the best of health and Emaan, in sha'Allah!

Our PTO team would like to thank all of you for your continued support throughout the year especially in collecting the box tops. Alhamdulillah, we surpassed our goal of 8,000 count and students have earned themselves the "Physics is fun" assembly ☺ Please continue to clip box tops and drop them in the collection bin for our next goal of 11,000 so students can showcase their artistic abilities on our "Creative Crazy Hat Day"!

Congratulations to our 7th graders, who won the second prize in future city competition, Ma sha'Allah. We are so proud of you!!!

Winter Wish (Zuha Danial-3A)

Autumn colors are slowly gone,
As the winter snow comes along.
It snows until it reaches dawn
I lay inside my house in the lawn.
Human kids are building snowmen
I wish I could just get out of my den!

And run and play and make
snowballs,
Till the night falls.
But my door is jammed by a log
After all, I'm just a dog!

Butterfly (Simra Baig-2B)

Butterfly butterfly, flap your wings
Butterfly butterfly, stick out your tongue
Butterfly butterfly, suck nectar
Butterfly butterfly, flutter around
Butterfly butterfly, kiss a flower
Butterfly butterfly ...
